Testimonials

★★★★★ 2 days ago

"As a parent, I entrust my greatest blessing to the staff at Kinderex every day. The teachers and director look at each child as an individual, with their own strengths and needs."

Marta Stewart Client

★★★★★ 2 days ago

"My son started at Kinderex at the beginning of the year. We were all a bit anxious to move him into a new environment, but it was the best decision we have made!"

Frequently Asked Questions

Do you provide any scripts with your templates?

Our templates do not include any additional scripts. Newsletter subscriptions, search fields, forums, image galleries (in HTML versions of Flash products) are inactive. Basic scripts can be easily added at www.zemez.io If you are not sure that the element you're interested in is active please contact our Support.

In what formats are your templates available?

Website templates are available in Photoshop and HTML formats. Fonts are included with the Photoshop file.

What payment methods can I use to pay for my order?

We accept Visa, MasterCard, and American Express credit and debit cards for your convenience. Some other payment methods are also available.

What are the advantages of purchasing a website template?

The major advantage is price: You get a high quality design for just \$20-\$70. You don't have to hire a web designer or web design studio. The second advantage is time frame: It usually takes 5-15 days for a good designer to produce a web page of such quality regardless of its purpose.

What am I allowed to do with the templates?

You may build a website using the template in any way you like. You may not resell or redistribute templates (like we do), claim intellectual or exclusive ownership to any of our products.

What do I receive when I order a template from Zemez?

After you complete the payment via our secure form you will receive the instructions for downloading the product. The source files in the download package can vary based on the type of the product you have purchased.
