ABOUT US

MedClinic centers on diagnosing and treating patients of all ages, while emphasizing preventative medicine and the overall health and wellness of its patients.

We are committed to providing the highest quality patient care. Our dedication to excellence, compassion, and innovation is rooted in our devotion to the art and science of healing, which supports every aspect of our mission.

READ MORE

OUR MISSION

We aim to provide compassionate, comprehensive, community health care that exceeds our customer's expectations and needs.

READ MORE

OUR VISION

The vision of MedClinic is to be the medical services provider that people can trust and rely on regardless of their budget.

READ MORE

MEDCLINIC IS YOUR #1 MEDICAL SERVICES PROVIDER

At our clinic, you can get a full range of health care services for you and your family.

READ MORE

OUR SERVICES

Our patients have access to a wide range of services right here on-site, as well as off-site through partnerships the Clinic has established. Besides offering great health care, our staff also provides high-quality diagnostics using the cutting-edge medical equipment. Feel free to learn more about our services below.

GENERAL SURGERY

Our general surgeons focus on a variety of problems that can be treated with surgery.

OPHTHALMOLOGY PROCEDURES

MedClinic's ophthalmologists provide high-quality eye health procedures to our patients.

OUTPATIENT SERVICES

Our outpatient services cover the needs of patients who require follow-up care & check-ups.

RADIOLOGY AND MAMMOGRAMS

We provide a wide variety of radiology services including X-ray and mammography.

RESPIRATORY THERAPY

Our respiratory therapy services help patients breathe easy whether they're babies or adults.

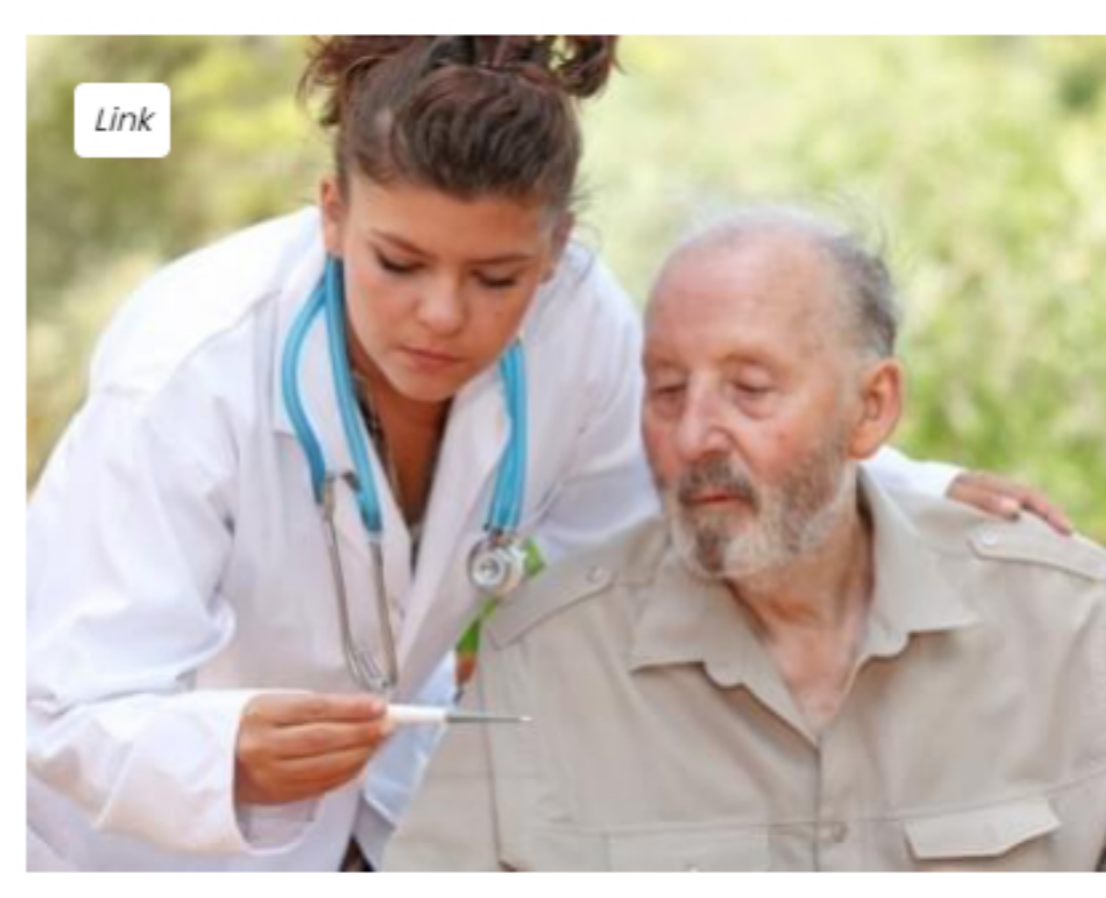

LABORATORY SERVICES

We take great pride in providing the highest quality of laboratory services to our patients.

WHAT PEOPLE SAY

I dealt with this pain and suffering with Neuropathy for the better of eight years. Now with the wonderful and friendly, and very pleasant staff at MedClinic treating me, I am much more active and pain-free. I recommend this clinic to all my friends and colleagues!
